Re: Request approval to join the PEB of Texas (Post Employment Benefit)

Request the Court to consider joining the PEB of Texas. The PEB of Texas is an organization made up of Texas local governments that will provide the tools to create a post employment benefit trust account to reduce our post employment benefit liability. This organization was created by First Southwest and provides the legal, accounting and auditing, and financial professional experts with no upfront costs. This will have no impact on the County's budget.
